

## Notice from Yoshikawa City Authority about the Vaccination of new -type Corona Virus

In Yoshikawa preparation for the vaccination is going now, in priority for the aged at or more than 80 and for those accommodated in a nursery facility.

On April 30(Fri.), coupon ticket was delivered to each applied person.

The reservation acceptance for the Vaccination, which started on May 12(Wed.), is going to proceed smoothly, and its vaccination for the aged at or above 80 begins from May 21 (Fri.).

Hereafter, from late in May, the coupon ticket will be sent to the aged by the priority of age.

The enough amount to vaccinate all applied people in Yoshikawa, is sent to the city from the state, so all the people who want to vaccinate can necessarily have the Vaccination.

Please not to be confused, nor to be irritated, and be quiet, so that we can overcome this difficult situation.

If you have any question about the Vaccination, please refer to the following.
